The Nebraska State Fair is requesting quotes for a potential sidewalk project on the north side of Stolley Park Road between gates 3 and 4. Proposed sidewalk will be 6' wide and approximately 560 feet long with a depth of 6 inches of concrete. Finished concrete will be flush with the current ground level and backfilled with dirt after forms are removed. Concrete shall be cut every 10 feet. Expansion joints shall be installed every 100 feet. Concrete mix shall be 6 sack mix with 15% rock and 4000 psi is 30 days.

All interested contractors need to schedule a site visit.
