

Garden Sculpture Contest

Calling All Creative Nebraskans!!!

We invite you (no age limit) to enter the Nebraska State Fair's first annual Garden Sculpture Contest to add Art to our Raised Nebraska Flower Bed with sculptures designed by creative Nebraskans!

We are looking for 2-3 sculptures that represent Nebraska. We hope to add a couple new sculptures over the next few years through this contest to proudly show off during the Fair.

Send us your idea on the attached entry form that you would create and bring to the Fair, explaining materials you would use to build it – materials that will withstand weather during the 11 day Fair event. Recycled materials are welcomed & encouraged.

Sculptures should be no more than 3' (three feet) in diameter & 3' (three feet) tall. Ideas include Chimney Rock, Valentine (Heart), O'Neill (Shamrock) or a sandhills crane – things that scream NEBRASKA!

Sculpture drawing idea entries need to be submitted to the State Fair Office by March 1, 2021 by mail to Nebraska State Fair, PO Box 1387, Grand Island, NE 68801, by email to jtrent@statefair.org or faxed to 308-384-1555.

Sculpture Ideas will be judged by the Nebraska State Fair Landscape Committee.

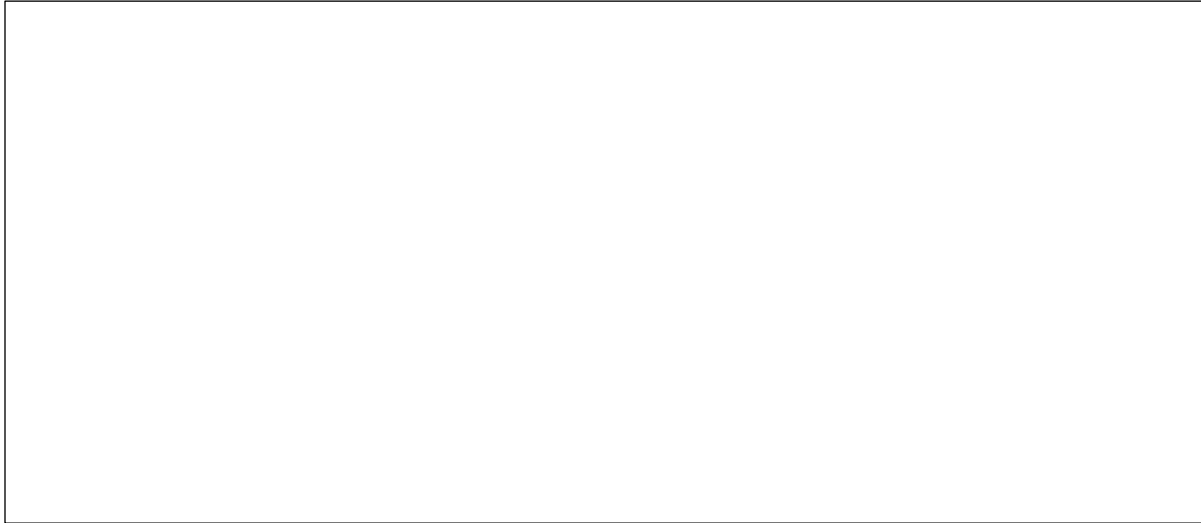

Winning entries will be notified by March 15th. There will be a cash award for sculptures chosen to be created for this contest. Sculpture(s) will be delivered by the Artist(s) to the Fairgrounds in Grand Island no later than August 1, 2021.

Put your thinking caps on & Get Creative! We can't wait to see your Creative Nebraska ideas!

ENTRY FORM FOR GARDEN SCULPTURE CONTEST

Please sketch your drawing here (or attach a bigger paper if needed)

Tell us about your idea, what it represents & what you will create it out of:

Name _____

Address _____

Phone Number _____

email _____

Entries should be mailed to Nebraska State Fair, PO Box 1387, Grand Island, NE 68801, emailed to jtrent@statefair.org or faxed to 308-384-1555 by March 1, 2021 to be judged.
