Refunds:

Entry checks will be cashed after the trial. Refunds will be given up to the first day of the trial (August 31).

Health Papers:

Health papers are not required.

Rabies certificates are required.

Outback Finals

Qualifying:

- Top 20 Open dogs with Outback points qualify for semi-finals.
- Must be Outback member. Can become member at the fair.
- Points are earned at Outback Trials.
- Points at all Outback trials held after the 2019 Nebraska Fair, including the Outback Summer Trial being held Aug 22-23, will be counted toward total points.
- Outback points are different than NCA points:
 - 1 point for being in each trial run.
 - 1 point for each dog you beat in that run.
 - In other words, the last dog in a trial earns 1 point, second to last earns 2 points and so on. First dog earns a total of one point for every dog in the class.
 - Points will be posted after Summer Trial.
- Two dogs per handler. Third dogs will be allowed if class doesn't fill.

Entry Fee:

\$50 per dog. Will be collected at the trial.

100% payback (Finals only) + added money from Outback.

Nebraska State Fair Finals

Qualifying will be by combined points earned in day trials.

Winning dogs in the day trials will automatically be qualified (must still run both days).

Point ties will be broken by sum of times.

Finals are clean slate.
