Re: City of Grand Island's Occupation Tax for Food Services, Drinking Places and Restaurants

Dear State Fair Vendor:

Thank you so much for participating at the Nebraska State Fair!

The City of Grand Island adopted Ordinance 9588 which enacted a 1.5% occupation tax on food services, drinking places and restaurants. As a food and/or beverage provider at the Nebraska State Fair, this ordinance applies to you and you will need to remit to the City of Grand Island a 1.5% occupation tax. A copy of Ordinance 9588 is available on-line at www.statefair.org as well as the city website www.grand-island.com for your convenience.

A Food and Beverage Occupation Tax form is enclosed. We will accept payment by cash or check only. Checks should be made payable to the City of Grand Island. We will have personnel on location at the State Fair office to collect this occupation tax. Please see dates and times on the occupation tax form enclosed. For those concessionaires who are from Grand Island and already remit Food and Beverage Occupation Tax to us, we are requesting that you fill out this separate form for your State Fair receipts and not add those amounts to your regular monthly reporting.

If you have any questions regarding the reporting of the occupation tax, please contact our office at (308) 385-5444 extension 161.

Sincerely yours,

City of Grand Island
