VOLUNTEER HIGHLIGHT

MARILYN WILLIAMS

- **How many years have you volunteered for the NSF?**

Every year but 2020.

- **What is your favorite volunteer position?**

I love the information kiosks. Especially the one in the Pinnacle. I enjoy talking with the guest and answering questions.

- **Why do you volunteer?**

I have always enjoyed volunteering in the community. When word came that the State Fair was moving to Grand Island, I was ready to jump right in. In the early years my employer Principal Financial would loan an employee to help with coordinating volunteers. I had the privilege of being that loaned volunteer once. Each year I enjoy reconnecting with former volunteers and getting to know new volunteers.

- **What is the best fair food?**

I have several go to fair foods, but my favorite would be the Pineapple Whip closely followed by the nachos from Cactus Jacks.

- **What are you most excited about for the 2025 State Fair?**

I'm always excited to see what changes are being made as the State Fair continues to grow.
